

# sên loyalty packages for frequent users

Call sên at 6739-4449 for more information or a reservation with our therapists.

Additional credits that make already affordable spa services even more affordable.

This package is a pre-paid account that you open with sên. Depending on the package you select, you stand to earn credits up to 25% (see table below). We recommend that you select the package based on your needs as these packages come with expiration dates.

You open this account by making an up-front payment. After doing so, you will receive a receipt that reflects the opening balance in your account. Each time you or your family enjoy a service\* at sên, we take off the price of the service from the opening balance on your pre-paid account and the new balance is reflected. You need not pay any money at that time.

You can continue enjoying the benefits of your pre-paid account till the account balance becomes nil, after which you may renew your pre-paid account by recharging your account once more.

The balance on your pre-paid account has to be fully utilized within the validity period.
